TAEBAEK Training Center Facilities

JINCHEON Athlete Village Facilities

Due to the lack of space for more scientific and sports training facilities at the Taereung National Training Center, it has become necessary to expand and build more national sports training facilities to improve the performances of national athletes. The new facilities of the Jinccheon Athlete Village will be constructed in two phases. The Expected completion of phase two is scheduled for 2017.

- Location : Gwanghyewon-Myun, Jinccheon-Gun, Chungchungbuk-Do
- Area : 858,183m²
- Outdoor Training Facilities : 400m Track and Field
