Round Table Session

SCCP
Sub-Committee on Customs Procedures

➤ **Themes:**

- ◆ Implementation/Introduction of SW systems
- ◆ Interoperability between SW systems

➤ **Topics:**

- ◆ Through programs/initiatives related to SW over the past years, how has SW system been changed or developed in each economy? What has been achieved?
- ◆ What are the major challenges that each economy is currently facing?
- ◆ What is the WAY FORWARD for APEC?
- ◆ What is expected from APEC and what could APEC do for member economies?
