

# Visit of Tawain delegation at Federal Office for Agriculture and Food

**DVS - National network unit for rural development**

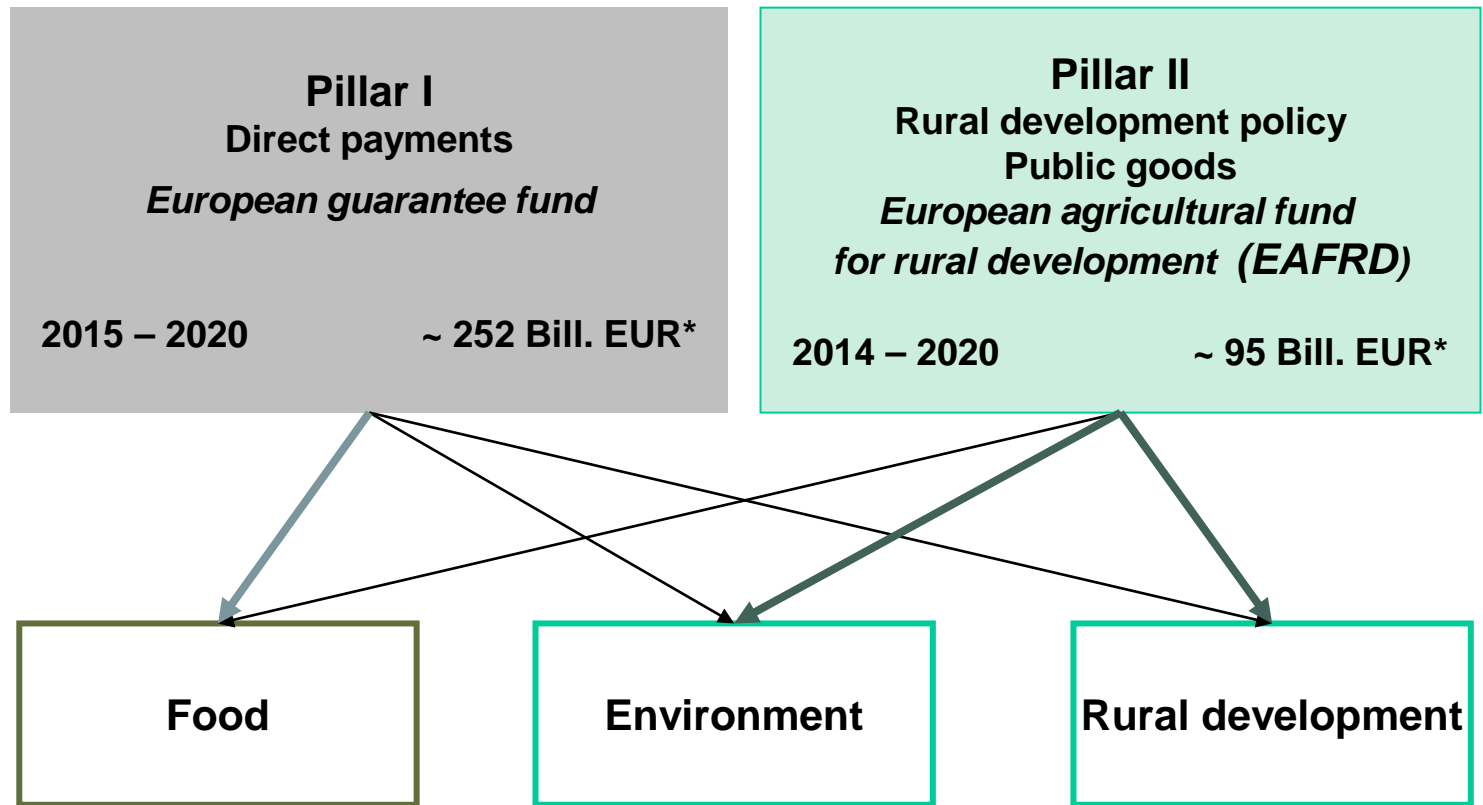

**Bonn, 6th July 2016**

**Dr. Jan Swoboda**

*Deutsche Vernetzungsstelle Ländliche Räume*

# CAP: first and second pillar and role of EAFRD

## Common agricultural policy (CAP)

\* Quelle: Multiannual Financial Framework 2014-2020 and the financing of the CAP (ohne Umschichtung)

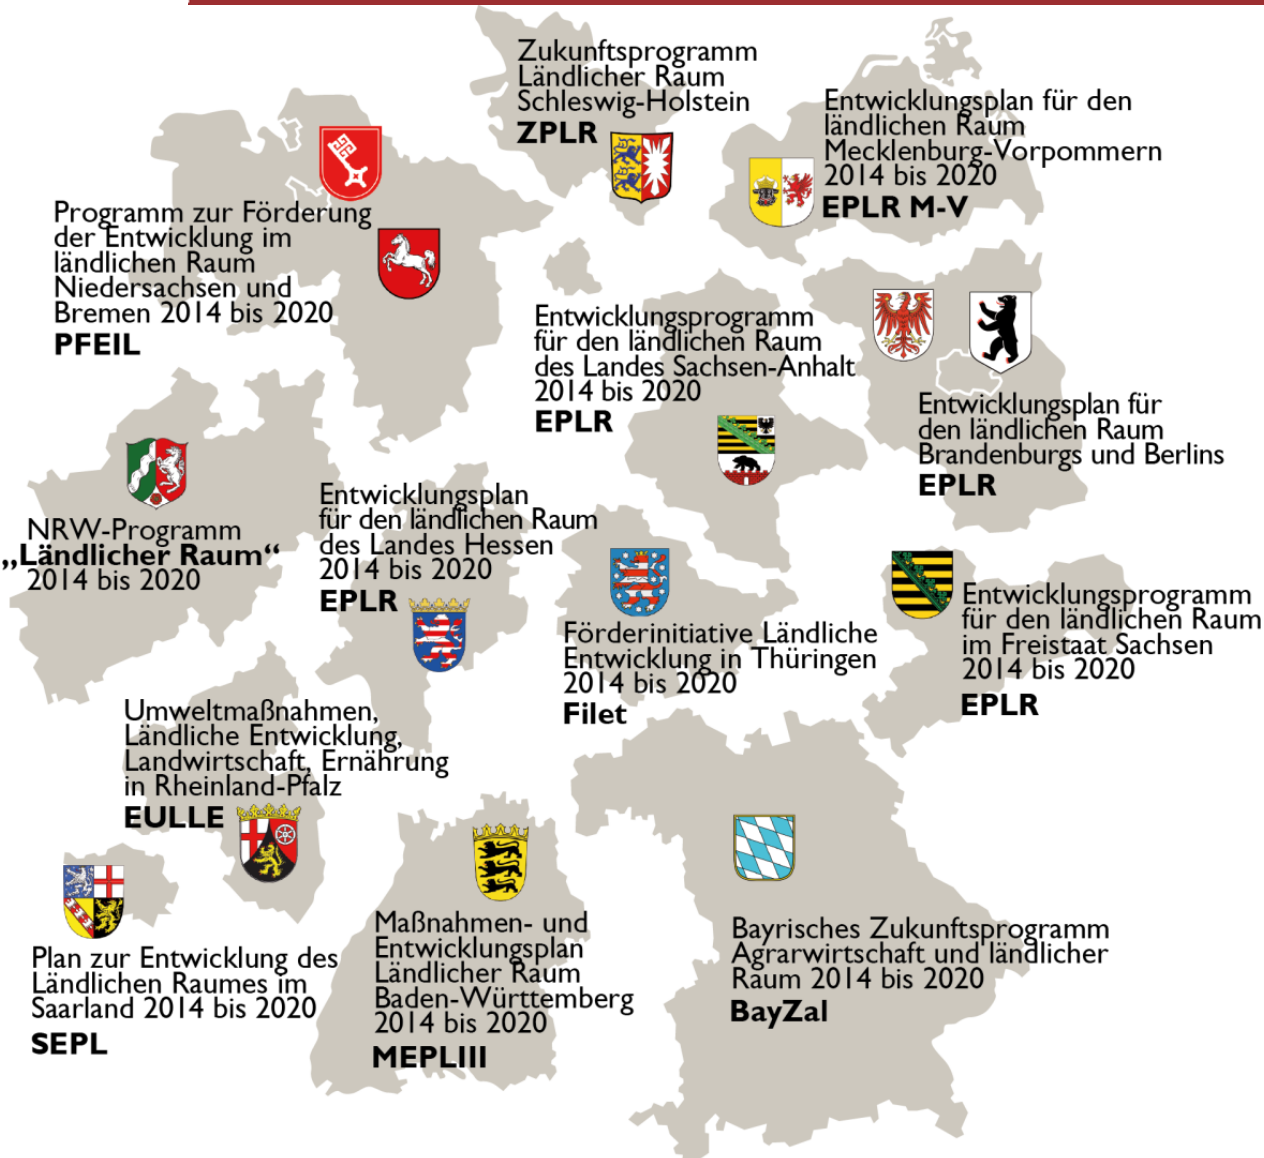

## EAFRD Priorities – combining over 60 measures

- 1. fostering knowledge transfer and innovation in agriculture, forestry, and rural areas**
- 2. enhancing farm viability and competitiveness of all types of agriculture in all regions and promoting innovative farm technologies**
- 3. promoting food chain organisation, including processing and marketing of agricultural products, animal welfare and risk management**
- 4. restoring, preserving and enhancing ecosystems related to agriculture and forestry**
- 5. promoting resource efficiency and supporting the shift towards a low carbon and climate resilient economy in agriculture, food and forestry sectors**
- 6. promoting social inclusion, poverty reduction and economic development in rural areas**

## Village development in EAFRD: relevant measures

- ❖ Article 20: Basic services and village renewal including municipality planning in rural areas, broadband and tourism infrastructure (About 1.2 Billion 2015 - 20 + cofi + top ups)
- ❖ Article 42: ‚LEADER‘ - Links between actions of rural development (About 1.3 Billion 2015 - 20 + cofi + top ups)

# EAFRD in Germany – 13 development programs

❖ Federal States are in charge for rural development

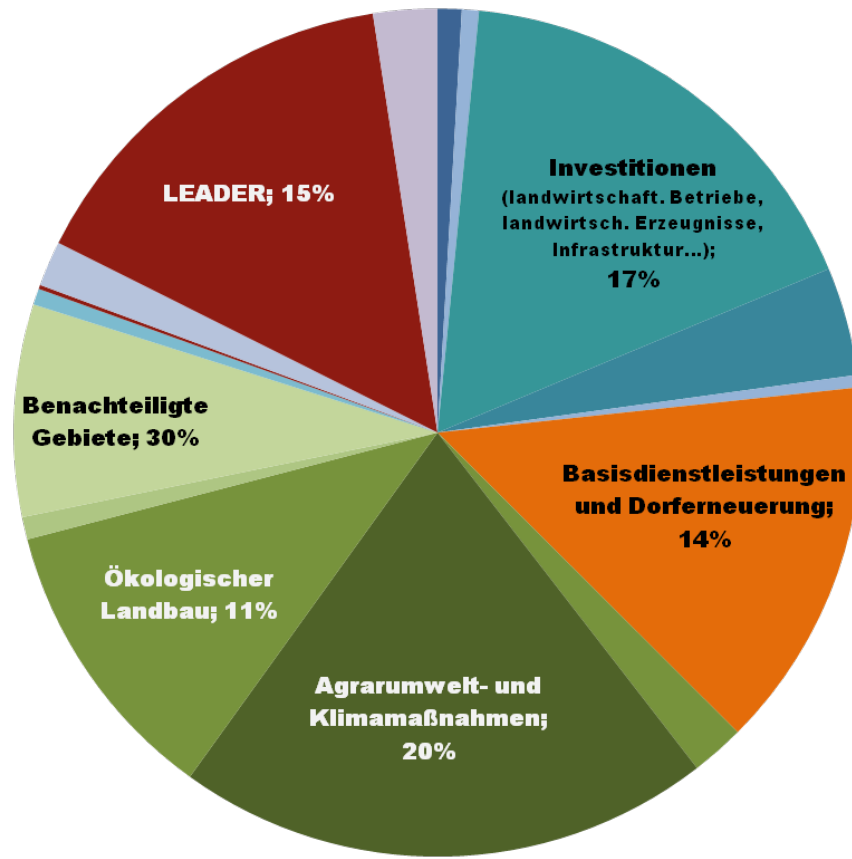

❖ EAFRD, 2014 bis 2020:  
8.3 Bill. EUR

❖ Public money (total):  
17.6 Bill. EUR

# Tasks of DVS as national Network Unit

- collecting, analysing and dissemination of information on
  - rural development measures
  - good practice
  - developments in rural areas
  - organising seminars
  - facilitating expert networks & exchange of expertise
- ensure stakeholder participation
- contribute to the quality of programs

# EAFRD in Germany – average share of measures

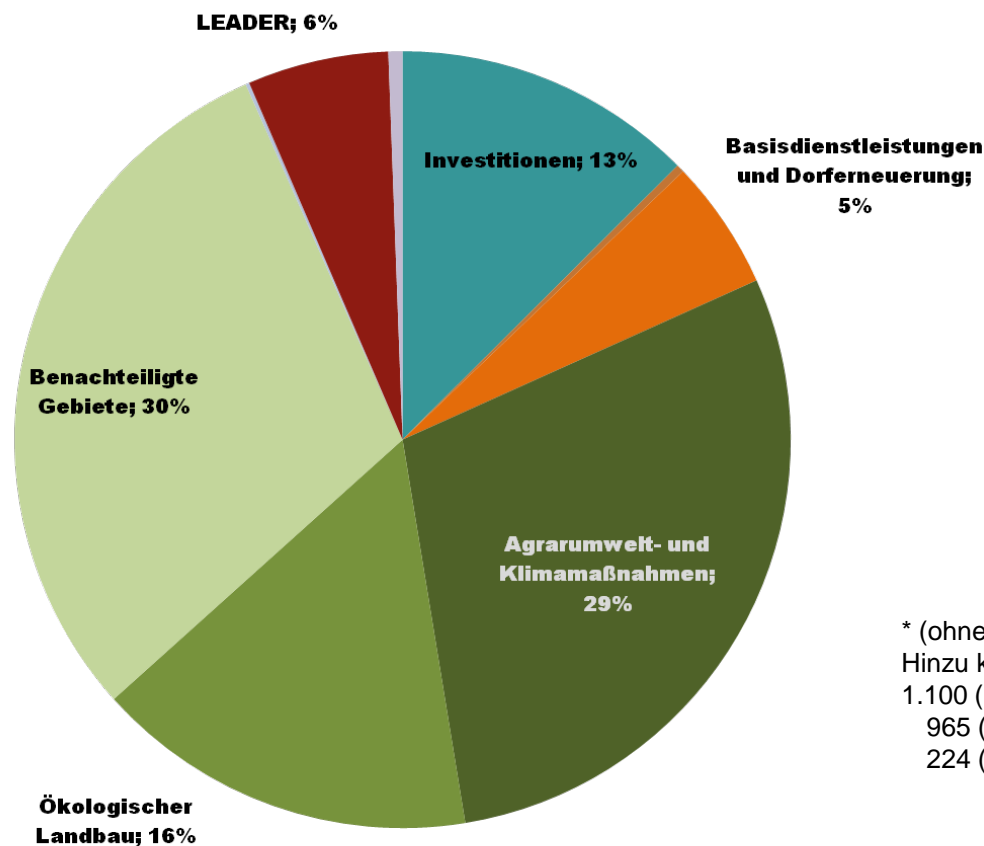

✿ 8,3 Bill. EUR  
(total, EU)

✿ Differences between  
programmes of the  
„Laender“ depend upon  
political objectives and  
regional needs

# LEADER: the area based development strategy

LEADER-Regions (321)  
2014-2020

# LEADER – an example

## Dorfauto (“Car for villagers”)

- ✿ An idea for sustainable mobility in rural areas, because the quality of public transport is becoming worse
- ✿ „Dorfauto“ is innovative because of a combination of a small scale carsharing system and an E-mobility solution
- ✿ Co-operation of municipalities in the region „Eifel“ and regional power authorities
  - ✿ Organised by volunteers
  - ✿ The project has been awarded in a nation wide contest

## Transfer: e.g. gathering and dissemination in EIP

### ✓ „Pin board“ on DSV-Website for OGs

⇒ Application for cooperations

⇒ Announcement of “future OG” activities before it is entitled as OG

### ✓ EIP-Database

⇒ public database

⇒ information about OGs and their projects including final report

⇒ only for entitled OGs

⇒ interface to future EU EIP-Database

### Collect and disseminate best-practice EIP-projects

⇒ DVS media (magazine, newsletter, web) and other

⇒ all kinds of events

## Transfer: DVS-website „Themes“ und offers
