| United Nation Education Scientific and Cultural Organization (UNESCO) | World Broadcasting Union (WBU)                  |

## Attachment 2 - ICANN72 Action Points Compilation

| # | Subject Matter                 | Action Point  |
|---|--------------------------------|---|
| 1 | IGO Protection Matters         | GAC Leadership and Topic Leads to review the proposed IGO list maintenance process and provide additional feedback and granularity prior to sharing with GAC membership for review and input.   |
| 2 | Subsequent Rounds of New gTLDs | GAC Membership encouraged to share potential topics and language for GAC advice intersessionally prior to ICANN73 for potential incorporation in the ICANN73 communique as appropriate.   |
| 3 | GOPEWG                         | GAC Support to schedule a GOPE WG Meeting after ICANN72 for WG members to review the draft Work Plan and begin discussing GAC Operating Principles.   |
| 4 | HRILWG                         | GAC HRILWG Co-Chairs to edit the draft GAC perspective document to reflect the additional elements of diversity discussed.  |
| 5 | HRILWG                         | GAC HRILWG to share the document with the GAC for review and input.   |
| 6 | USRWG                          | GAC USRWG to share its updated work plan for GAC review and endorsement.  |
| 7 | DNS Abuse                      | GAC and ALAC interested volunteers to work together to consider possible targeted recommendations of concrete and enforceable contract provisions regarding the mitigation of DNS Abuse to inform future negotiations between ICANN and contracted parties. |
