

Workshop – Cartels and Bid Rigging

 Kuala Lumpur, Malaysia

3-5 October 2023

This Workshop will provide participants with an opportunity to explore key issues for effective anti-cartel enforcement such as detection and collection of valuable evidence. Several sessions will focus on fighting bid rigging a particularly crucial area of anti-cartel enforcement as bid rigging affects procurement processes, raising prices and lowering the quality of goods and services. This seminar will offer insights into best practices of experienced OECD countries in this respect, by engaging participants in in-depth discussions. Hypothetical exercises throughout the seminar will provide an opportunity to practise and translate theory into practice.
