The screenshot shows the homepage of the Agriculture Information Management System (Ag-IMS). At the top left is the WTO logo. The main header reads "Agriculture Information Management System". On the right, there are language links for English, Français, and Español, and a "Welcome" button with a user icon. Below the header is a navigation bar with links: Home, Notifications, Search Notified Information, Review Process Q&A, Export Competition, User Guide, and Contact. The main content area is titled "Agriculture Information Management System" and features a welcome message: "Welcome to Agriculture Information Management System (Ag-IMS). Ag-IMS". It lists two key features: providing access to documents and records relevant under the WTO Agreement on Agriculture, and allowing the online submission of notifications and questions/answers in the context of the Review Process. A small image of a golden field is shown next to the text.

Agriculture Information Management System

Welcome to Agriculture Information Management System (Ag-IMS).
Ag-IMS

- provides access to documents and records relevant under the WTO Agreement on Agriculture. For more information on the Agreement, please click [here](#).
- allows the online submission of (i) notifications and (ii) questions and answers in the context of the Review Process carried out by the Committee on Agriculture.

What can we do with AG-IMS

- Review Process

- Submission of Q&A
- Questions and Answers (Q&A) raised in the CoA since 1995
- **Members can start to pose questions for the next meeting one day after the conclusion of the CoA meeting

- Notifications (All agriculture Notifications)

- Submission of Notifications
- Members' compliance with regular notification obligations
- Reports on notified data (e.g., DS profiles, TRQ fill-rates)

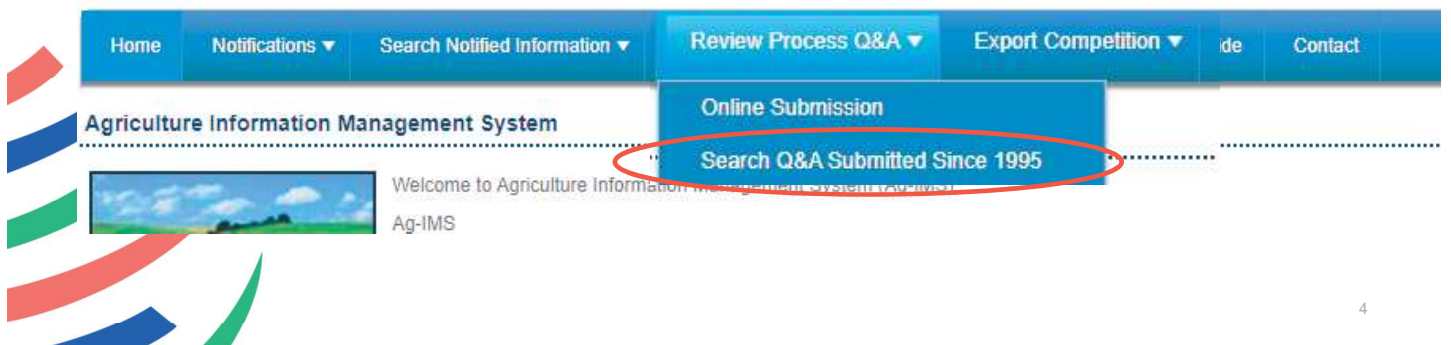

- Export Competition Questionnaire

- Submission of ECQ
- ECQ responses

Review Process

- Search for questions raised previously
- Asking questions to other Members to address your concern
- Answering questions posed by other Members regarding your policy

The system enables....

- **Access to Scheduled Commitments sourced from the CTS:**
 - Total AMS, TRQ product scope/quantity, SSG-eligible products etc.
- **Automatic calculations:**
 - Market price support, support across DS supporting tables, SSG triggers
- **Templates replicate G/AG/2**
 - Option to accommodate voluntary transparency practices of Members
 - Inclusion of support against Individual “General Services” (Annex 2)
- **Consistency, enhanced comparability of notifications:**
 - TRQs opened/not-opened, capping of TRQ fill rates, TRQ/XS-IDs
 - Members consulted prior to circulation of notifications
- **Simplified preparation for “nil” statements**

Hands-on!

Hands-on!

- 1) How many questions has **the US** raised during 107th CoA meeting?
- 2) How many questions has **Australia** posed regarding the **DS:1** notification submitted by **Brazil** so far?
- 3) What is **SIM 558** about?
And how many questions have been addressed under this SIM so far?
- 4) How many questions have been addressed to **G/AG/N/JPN/293**?
And by which Members?
- 5) How many questions have your government raised/been asked during the review process?

62

Hands-on!

- 6) What is the value of **Zambia**'s support to its Development Programmes in the latest DS notification available?
- 7) What is the change of value concerning **South Africa**'s Total Green Box support in 2014 comparing to 2013.
- 8) What is the fill rate of **Costa Rica**'s CRIQ010 in 2023?
- 9) In 2023, were there any SSGs initiated by **Chinese Taipei**?
How many were volume-based and price-based?
(hint: which notification include all the SSG implemented)
- 10) Has your government replied to ECQ? In which years?

63

Thank you so much!
