

**14<sup>th</sup> APEC ENERGY MINISTERIAL MEETING (EMM14)**  
**Lima Convention Center (LCC) – Room Naciones 3**  
**LIMA - PERU**  
**15<sup>th</sup> - 16<sup>th</sup> AUGUST 2024**

**DRAFT AGENDA**

**Day 1**

**15<sup>th</sup> August 2024**

- |   |                      |
|---|----------------------|
| <b>Minister's Lunch<sup>1</sup></b>   | <b>13:00 - 15:00</b> |
| <b>1. Opening Ceremony</b>  | <b>15:10 - 15:15</b> |
| <ul style="list-style-type: none"><li>• <i>Welcoming address by the EMM Chair, H.E. Mr. Romulo Mucho, Minister of Energy and Mines of Peru.</i></li></ul>   |                      |
| <b>2. Adoption of the Agenda</b>  | <b>15:15 - 15:20</b> |
| <ul style="list-style-type: none"><li>• <i>The EMM chair will introduce the agenda for consideration and adoption by the Ministers.</i></li></ul>   |                      |
| <b>3. Reports to the Ministers</b>  |                      |
| <b>3.1. APEC 2024 SOM Chair</b>   | <b>15:20 - 15:25</b> |
| APEC SOM Chair will present a report on APEC 2024 Key Priorities and Developments.  |                      |
| <b>3.2. APEC Secretariat's Executive Director Report</b>  | <b>15:25 - 15:30</b> |
| <b>3.3. EWG Lead Shepherd Report on EWG Activities</b>  | <b>15:30 - 15:35</b> |
| <b>4. Reports from EWG Research Centers</b>   | <b>15:35 - 15:49</b> |
| <ul style="list-style-type: none"><li>• Research Centers will present their reports (<i>overview, up to 7 minutes for each intervention</i>):<ul style="list-style-type: none"><li>• Asia Pacific Energy Research Centre (APERC)</li><li>• APEC Sustainable Energy Centre (APSEC)</li></ul></li></ul> |                      |

---

<sup>1</sup> *The Minister's lunch will be served in a reserved room at the LCC, to be announced in due time. The Minister can be accompanied by one interpreter in this room only for interpretation purposes. The rest of the delegates will have lunch in the dining room of the LCC.*

**Coffee break**

**15:49 - 16:00**

**5. Ministers' discussion: Advancing Energy Transitions across the APEC Region. 16:00 - 17:00**

The Chair will invite Ministers to respond to the following guiding questions:

- How can APEC economies utilize innovative strategies and technologies to ensure just, inclusive and sustainable energy transitions?
- Considering domestic circumstances within APEC economies, what best practices and successful models can be shared to facilitate knowledge transfer and capacity building in energy transitions?
- What role can public-private partnerships play in accelerating the development and deployment of clean energy technologies, and how can APEC economies create conducive environments for such collaborations?
- How can APEC economies address potential socio-economic impacts of energy transitions on vulnerable populations and ensure that the benefits of clean energy are equitably distributed across all segments of society?

*The Ministers will be invited to provide key strategic insights on one or two of the above questions from the perspective of their economies. (Ministers will have up to 3 minutes for their interventions).*

Session adjourns

17:00

**Welcome reception<sup>2</sup>**

**18:00 - 21:00**

---

<sup>2</sup> Participants: Minister/HOD + 5  
Venue: Real Felipe Castle  
Transportation will be provided.

## Day 2

16<sup>th</sup> August 2024<sup>3</sup>

- 6. Remarks** **09:00 - 09:05**  
*By the EMM Chair, H.E. Mr. Romulo Mucho, Minister of Energy and Mines of Peru.*

## 7. Reports to the Ministers

- 7.1. ABAC Chair Report** **09:05 - 09:10**

## 8. Ministers' discussion: The importance of energy access in promoting sustainable growth

**09:10 - 10:10**

The Chair will invite Ministers to respond to the following guiding questions:

- How can APEC economies enhance energy access in rural and remote areas to promote sustainable growth? What specific policies, technologies, and partnerships are effective in overcoming barriers to energy access in these areas?
- What role can governments play in facilitating energy access to micro, small and medium-sized enterprises (MSMEs) and other groups with untapped economic potential? What measures have proved to be more efficient to achieve this objective?

*The Ministers will be invited to provide key strategic insights on one of the above questions from the perspective of their economies. (Ministers will have up to 2 minutes for their interventions).*

## 9. Ministers' discussion: Policies and actions for hydrogen development in APEC economies to promote sustainable growth

**10:10 - 11:30**

The Chair will invite Ministers to respond to the following guiding questions:

- What are the key challenges faced by APEC economies in developing and implementing hydrogen strategies, especially regarding infrastructure, regulatory frameworks, and investment? How can these challenges be addressed to ensure a smooth and efficient energy transition, including transition to clean and low-carbon hydrogen?
- Considering the varying levels of technological advancement and resource availability across APEC economies, what best practices and lessons learned

---

<sup>3</sup> Lunch will be provided on the second day for Ministers and delegates in the dining room of the LCC.

can be shared to promote successful hydrogen initiatives? How can these strategies be tailored to enhance collaboration and drive sustainable economic growth in the Asia-Pacific region?

- What role can public-private partnerships play in accelerating the development and deployment of hydrogen technologies in APEC economies? What specific policies and incentives can governments implement to encourage private sector investment and innovation in the hydrogen sector?

*The Ministers will be invited to provide key strategic insights on one or two of the above questions from the perspective of their economies. (Ministers will have up to 4 minutes for their interventions).*

**Coffee break**

**11:30 - 11:45**

**10. Presentation of the “APEC Policy Guidance to develop and implement Low-Carbon Hydrogen Policy frameworks in the Asia-Pacific” 11:45 - 12:30**

- *Ministers to share views on the “APEC Policy Guidance to develop and implement Low-Carbon Hydrogen Policy frameworks in the Asia-Pacific” (Ministers will have up to 2 minutes for their interventions).*
- *Ministers to endorse the “APEC Policy Guidance to develop and implement Low-Carbon Hydrogen Policy frameworks in the Asia-Pacific”*

**10. Adoption of the EMM14 Statement**

**12:30 - 12:35**

- *Ministers to endorse the EMM14 Statement*

**11. Other Matters**

**12:35 - 12:40**

- *Ministers may wish to discuss any other matters.*

**12. Closing Remarks**

**12:40 - 12:45**

- *The EMM Chair will present his closing remarks.*
