

APEC Policy Partnership on Food Security (PPFS) Plenary Meeting
Day 2, 6 March 2025

Session IV – Introduction of plans for Food Security Roadmap Mid-term Review

**Comments on 17(e) reducing food loss and waste
- Chinese Taipei**

Initiatives supporting the Implementation Plan on (17e) Reducing Food Loss and Waste (FLW)

17. To assist economies in achieving their individual *sustainability goals*, economies have committed to the following actions:

(e) : To Provide **capacity building and best practice sharing workshops** to support MEs' individual and collective efforts to *align with the UN Sustainable Development Goals 12.3* with

- ✓ **specific indicators** based on each ME's respective situation such as measured by the UN/FAO Food Waste Index (FWI) or other appropriate index, and
- ✓ **promote public-private investment** in infrastructure and cold chain to reduce the current levels of food loss and waste and **review progress in this area by 2025**.

As the lead economy for 17 (e), Chinese Taipei will implement the APEC project:

“Reducing Food Loss and Waste through Packaging Innovations and Progress Review of Food Loss and Waste (FLW) in the APEC Region.”

1. Hosting a best practice-sharing **workshop** on June 2025 focusing on innovative packaging solutions for reducing FLW.
2. Conducting an APEC-wide **survey** to review the progress on reduce FLW in line with the Food Security Roadmap Towards 2030, 17(e).
